EXACT POSTAGE EVERY TIME

Our all-in-one DM50 mailing system with its built-in scale lets you weigh and calculate postage at the touch of a button. You get exact postage every time - no guesswork. You can even print promotional messages on your envelopes!

Print postage on letters and packages right from your office. Save time and money while you're at it. Enjoy the convenience of a digital postage meter and avoid the hassle of going to the post office.

The DM50 incorporates a 2.5kg integral weighing platform, freeing up desk space and guaranteeing that each letter or package bears the correct postage value.

No more time consuming trips out of the office to buy stamps - order your postage by phone in just under a minute.

Use the exact postage every time - no more over stamping to 'ensure it gets there'

Promote your business - put your logo or company name on every letter you send.

Mail standard letters, packages and even recorded and special delivery.

Increased productivity and reduced costs makes the FMC DM50 a valuable addition to your small business.

→ **And remember, you can save up to 38% off your mail costs by switching to franking.**

Start saving today with a DM50 Mailing System from FMC.

For further details or a discussion of your individual mailing requirements, contact Franking Machine Company today on 0151 494 2525.
