

ENTRY LEVEL FRANKING SYSTEM

DM60+ FRANKING MACHINE

Save money on postage.

The FMC DM60+ is the ideal franking machine for any small office sending up to 20 letters or parcels per day.

A built-in scale gives the exact postage every time, providing you with the convenience, efficiency and savings you expect from franked mail.

DM60+ FRANKING MACHINE

Get more from your mail. More accuracy, more appeal, more savings and more insight.

Our all-in-one DM60+ mailing system with its built-in scale lets you weigh and calculate postage at the touch of a button. You get exact postage every time - no guesswork. You can even print promotional messages on your envelopes!

Print postage on letters and packages right from your office. Save time and money while you're at it. Enjoy the convenience of a digital postage meter and avoid the hassle of going to the post office.

The DM60+ incorporates a 2.5kg integral weighing platform, freeing up desk space and guaranteeing that each letter or package bears the correct postage value. No more time consuming trips out of the office to buy stamps - order your postage by phone in just under a minute. Use the exact postage every time - no more over stamping to 'ensure it gets there'

DM60+ BENEFITS - YOUR USER FRIENDLY MAILING SYSTEM

- The DM60+ incorporates a 2.5kg integral weighing platform, freeing up desk space and guaranteeing that each letter or package bears the correct postage value.
- No more time consuming trips out of the office to buy stamps - order your postage by phone in just under a minute.
- Use the exact postage every time - no more over stamping to 'ensure it gets there'
- Promote your business - put your logo or company name on every letter you send.
- Mail standard letters, packages and even recorded and special delivery.
- Intellilink® connects the DM60+ to a secure server, via the Internet, enabling services such as postal tariff changes, software updates and advertising slogans to be downloaded quickly and effortlessly.
