

ENTRY LEVEL FRANKING SYSTEM

U30 FRANKING MACHINE

Growing businesses count on innovative productivity tools to keep their offices running smoothly. FMC's U30 professional franking system makes it simple to weigh, frank and send your mail.

U30 FRANKING MACHINE

The Compact and Easy-to-Use Mailing System

Calculating the right postage is made simple with an integrated postal scale and rate wizard and powerfeed processes your mail quickly. Easy to operate, the highly capable U30 with whisper-quiet operation is designed to integrate smoothly into your office environment and process mail efficiently.

With its state-of-the-art technology and online services you can be sure to have the best solution to meet your demanding needs.

YOUR USER FRIENDLY MAILING SYSTEM

Give the right impression

Promote customer relations with printed slogans that enhance the professional image of your organisation. Select advertising slogans to reinforce the communication to your customers.

Pricing your mail has never been easier

Don't be confused by postal rates. Let the U30's Rate Wizard give you a hand so you don't have to be a postal expert. Whichever rate you need, the U30 will figure it out.

U30 Benefits:

- Smart and user-friendly
- Powerful envelope feeding
- Space saving weighing platform
- Whisper-quiet operation
- Myneopost online services

For further details or a discussion of your individual mailing requirements, call today on 0151 494 5358.

U30 FRANKING SYSTEM

1. ACCURATE AND FLEXIBLE WEIGHING

Reliability at its best with this large integrated weighing platform. If you need to process heavy parcels up to 30 kg, the external weighing platform is made for you.

2. STRAIGHTFORWARD

Shortcut keys help you speed your mail processing for maximum ease-of-use.

3. VERSATILITY

All sizes of envelopes are handled with this enhanced platform. You can also process labels if you need to send parcels or thick envelopes.

4. INTUITIVE NAVIGATION WITH RUN MY MAIL

With instant imprint preview, you can see real-time how your custom slogans and free texts will look like on the envelope.

5. CONNECTIVITY

Connect with high speed LAN and get the latest postal rates, software updates, ink alerts & remote diagnostics of parcels with the 30 kg scale option.
