

MID LEVEL FRANKING SYSTEM

iX-5 FRANKING MACHINE

The iX-5 Series offers flexibility and efficiency while maintaining job integrity every step of the way. Ideal for mid-level mail volumes, the iX-5 is available in two models, a power-assisted hand feed (iX-5 HF) or with auto-feed technology (iX-5 AF).

This system features a colour screen and easy-to-use control panel.

iX-5 FRANKING MACHINE

Designed for the busy medium-sized enterprise, the iX-5 is the latest model in a new generation of FMC Franking machines.

The iX-5 franking machine has been designed to give medium-sized offices a cost-efficient solution to modern mailing needs. With exceptional ink yields, this franking machine will process a large number of items on one ink cartridge and is the perfect postage solution for both letters and parcels. Royal Mail pricing is automatically updated by your Franking machine using Royal Mail Mailmark technology. This ensures that you always have the latest prices and will avoid surcharges. The iX-5 franking machine is a powerhouse of mail processing and can handle up to 70 letters per minute.

WHY CHOOSE THE iX-5?

Efficient

Integrated scale and standard Rate Wizard ensure accurate postal class selection and value.

Intuitive

Easy to use control panel with colour screen and shortcut keys makes navigation a breeze.

Mailmark Postage Discounts

Mailmark guarantees the lowest tariff in the franking channel, with up to 28% discount versus stamps.

Online management

Tools to manage, track, and control mail and shipping operations and associated postage costs.

Differential weighing

Reduce manual processing and save time with Differential Weighing. Simply stack a pile of various size envelopes on the mailing system scale. Take one piece off and the exact postage value is calculated.

For further details or a discussion of your individual mailing requirements, call today on FREEPHONE 0800 955 2341.

iX-5 FRANKING MACHINE

1. Weighing Platform

Standard 3kg, integrated scale handles postcards, envelopes and small packages with ease. Optional 3, 5, 10 and 35kg platforms available.

2. Catch Tray
