

MID LEVEL FRANKING SYSTEM

U60 FRANKING MACHINE

FMC's U60 Franking Machine delivers practical solutions that offer maximum versatility to give your business the results you need.

U60 FRANKING MACHINE

The quiet machine is highly featured and easy to operate.

You'll appreciate the sleek ergonomic design that saves you space and easily integrates into your business environment. An intelligent operating panel puts even the occasional user in control with a simple-to-use navigational menu. When it comes to getting a job done, thriving businesses count on reliable processing that adds value and streamlines performance. FMC's U60 delivers practical solutions that offer maximum versatility to give you the results you need.

With state-of-the-art technology and myneopost online services under your control, you'll be sure to have the best solution to meet your requirements.

OPTIMISE EFFICIENCY. ENSURE QUALITY.

Pricing your mail has never been easier

Don't be confused by postal rates. Let the U60 Rate Wizard give you a hand so you don't have to be a postal expert. Whatever rate you need is in the U60 and, save even more time by eliminating keystrokes when you select the mail class you need from the shortcut keys menu.

From single envelopes to larger packages, you'll have the flexibility you need to weigh and manage your mail with ease.

Give the right impression

Promote customer relations with printed messages that enhance the professional image of your organisation. Select advertising slogans to reinforce the communication to your customers.

Easy-to-use operational control

An intelligent operating panel puts even the occasional user in control with a simple-to-use navigational menu.

Eliminate errors and improve productivity with a host of smart functions and effortless menu prompts that deliver the extensive features of the U60.

U60 Benefits:
